Join us as we celebrate the life of Larry Beck at the 4th Annual Memorial Car show. Larry was not only a great friend to many car show enthusiasts, he was also the epitome of courage, positive attitude and truly caring for your fellow man. Larry fought a 3 year battle with pancreatic cancer & was taken from us on March 21, 2006. But his memory and inspiration will be with us forever, his showmanship, crazy trivia questions & huge smile.

Live DJ music, Beautiful cars, fun people, "special" Best in Show trophies, vendors, Opportunity Drawing & more! 50% of the Oppty drawing will benefit the American Cancer Society and PanCan.org
